Welcome to the Neighborhood!

Moving can be a very busy time so I'd like to offer you an easy way to get your television, Internet and home phone service ordered with one simple phone call. I've assigned Jack Hall, a valuable member of my team, to work with you to identify which Comcast services will best meet your entertainment and communication needs.

Many of your neighbors already enjoy XFINITY® TV, with an all digital line-up and hundreds of channels, as well as access to movies and shows, anytime, with On Demand. In addition, XFINITY® Internet offers download speeds up to 25 Mbps with PowerBoost® which makes sharing photos, videos and Internet surfing a pleasure. XFINITY® Voice offers unlimited nationwide calling with many popular calling features.

I've asked Jack to be your single point of contact and have provided him with several special offers to review with you. Please know, however, these offers are scheduled to expire soon and are only available from Jack. Call now – **Jack can be reached at (773) 318-0713.**

Again, congratulations on your new home.

Sincerely,

Sally
