Dear Brittney,

On behalf of all of us at the Greater Chicago Food Depository and the people we serve, thank you for your support by hosting a food drive. Food drives are an important source of nutritious food for our hungry neighbors. The 1,343 pounds of food that was donated through the Broad Shoulders Management 2013 Food Drive in December provided more than **1,119 quality meals** for the hungry in our community.

As you may know, 1 in 6 people in our community is unsure where their next meal is coming from. We also know that hunger does not discriminate – those struggling to put food on the table live in every neighborhood in Cook County. In some communities, the food insecurity rate is as high as 1 in 3 residents and 1 in 2 children.

The Food Depository is committed to serving Cook County until the day that all of our neighbors have consistent access to nutritious food. We are humbled by your willingness to join in this community response to end hunger, and are sincerely grateful for the support of Broad Shoulders Management.

We look forward to maintaining and growing our partnership, and extend an open invitation to visit the Food Depository for a personalized tour, where you can see the impact of your gift firsthand and discover other ways to get involved in the mission. To learn more, please feel free to call us at 773-247-3663, or visit our website at www.chicagosfoodbank.org.

Again, thank you for your support. We applaud your efforts to fight hunger in our community.

Sincerely,

Kate R. Maehr
